

J. R O Z E A,

Letter-Press & Copper-Plate Printer.

At the Sign of the PRINTING-OFFICE,

No. 91, *Wardour-Street*, near *Meard's-Court*,

Begs Leave to inform Tradesmen in general, that he prints

Cardseither Letter-press or Copper-plate, at his first established low Prices of

Two Shillings, 100. Eight Shillings, 500.

or Fifteen Shillings, 1000.

And every other Article, in Letter-Press and Copper-Plate, *Printing*,

On the shortest Notice, and as cheap as at any Office in LONDON.

Tobacco-Marks, Lodging and Window-Bills, Confectioners and Perfumers Labels, &c.

ready printed at the Office, and sold on the lowest Terms.

✂ Bills, relative to Goods, &c. Lost or Stolen, dispatched at Two Hours Notice.

ENGRAVING, in all its Branches, neatly and expeditiously performed,

And OLD PLATES repaired and altered on reasonable Terms.

Also may be had, HIS MUCH-ESTEEMED

LIQUID AND LETTERS

For Marking Linen.

Which is warranted to stand all the Arts that may be used to deface it, as it will not be made to disappear by any other Means than that of cutting the Piece out on which it is marked, therefore a Theft may with the greatest Ease be discovered. The LIQUID is now in its greatest Perfection, and vies with the first offered to the Public, and may be had in Tin Bottles at 6d. each, either Red or Black, with proper Directions for Using.
